NOTEWORTHY ACTIVITIES:

Recognize Officers Creager and Strayer who responded quickly to a report of a missing elderly female. By doing so she was located promptly in Dauphin County and safely returned.

Again Officer Creager was summoned to an injured cat. He took the time to transport it to the Antietam Humane Society where it could be cared for properly.

Since the first of the year our Co-Responder has assisted 15 new referrals from GPD and the accompanying follow-ups.

The speed camera was most recently on E. Leitersburg St (east bound). It reflected the 85 percentile speed at 34 mph, below the post speed limit. We will continue to move it around the Borough.

This past month Officers initiated a number of Speed Details throughout the Borough resulting in 74 stops for various violations. In these details both ENRADD and Chronometers were used. We have also been working with the e-citation program to electronically file the citations with the MDJ's office. There have been a number of hurdles involved but we are working through them.
